

Q&A, The Details ~ MWINNS ~ Guest Paid Room Fee

\$2/per room night ~ MWINNS Marketing Fee

1. This fee is NOT paid by the Innkeeper; this is paid by your guests.
2. The fee must be accurately disclosed, "MWINNS Marketing Fee", \$2/room night, in reservation systems. Contact your reservation companies /OTAs and they can assist with the easy addition of this "line item", just as you have done with other taxes and fees (e.g., room tax,)
3. Your guest invoice/receipt should look something like this:

Bob's Beautiful B&B Bobby & Betty Budd 123 Main Street Old Town, WI 54321			<u>Room Invoice</u>
Betty's Suite	\$100.00	2 nights	\$200.00
MWInns Marketing Fee	\$2.00	2 nights	\$4.00
State Tax @ 5.5%	\$5.61	2 nights	\$11.22
TOTAL:			\$215.22

4. This \$2 per rented room night fee with applicable taxes is charged to the customer. Meaning, it is paid by the guest, not the innkeeper. The member collects \$2 per room night, (line-item addition through your online reservation systems) and pays into the MWINN as a MWINNS Marketing Fee, monthly.
5. This fee with applicable taxes is charged to your customer and is being collected and charged by the Inn. Because the member then submits an amount equal to the fees to the MWINNS, then that would be considered a deductible expense for the member. Meaning— "a wash".
6. The \$2/room night assessment begins being collected by you, guest paid, upon joining the Association.
7. It will be paid into the MWINNS offices on monthly basis, utilizing the MWINNS Room Night Assessment Remittance Coupon (see below). It is simple. To determine your assessment obligation, multiply the number of room nights sold that month by \$2.

13. This is an honor system. There is no audit or review. By reporting accurately, more working marketing dollars are given to the MWINNS and then back to the member inn.
14. With our MWINNS website, our plan is to maximize reach and potential. While most inns can't afford to use AdWords, the MWINNS will use the buying power to work to gain top positions in google searches for our member inns and associated pages. This is imperative in today's ever-changing world of Google and the OTA's.
15. Based on what is paid into the MWINNS, with the \$2 per rented room night fee, by a member Inn, each Inn will have an opportunity to get a "rebate" % back. It will be invested in YOU, toward your following year's dues, with the remainder going toward an AdWords campaign, B&B specific. The % back is based on your chosen Membership Tier:

% of \$ Paid In ~ Invested Back to You (Example Only-Membership Dues Structure-2024)

- Platinum Level =20%
- Gold Level=15%
- Silver Level=10%
- Bronze Level =5%
